

## Sustain, LLC Welcomes Jon Ransom as the Chairman of Advisory Board

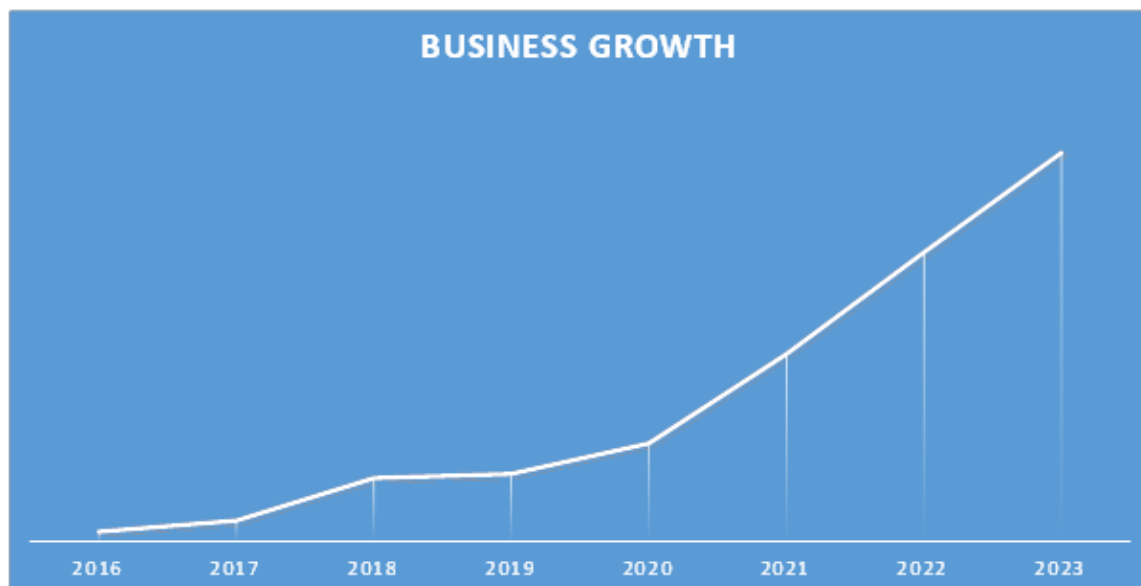

04/02/2024 11:00 AM Eastern Daylight Time

New Waterford, OH-Sustain, LLC (Sustain) a leading provider of full-service comprehensive management services with custom approaches to environmental emergency response, waste management, rental services and indoor air quality solutions announced today that *Jon Ransom* has been appointed Chairman of a newly formed Advisory Board.

Under Mr. Ransom's direction, Sustain's board will offer strategic advice and guidance to the company to support its vision, values, and mission. Mr. Ransom will work closely with Sustain leadership to build on the company's success and scale the organization to serve the ever-growing needs of our customers.

Mr. Ransom said, "I'm excited to step back into the arena and work closely with the exceptional leadership team at Sustain. This company has already achieved tremendous success on all levels, and I look forward to providing strategic and operational input to help navigate the challenges of relentless growth."

"I am pleased to welcome Jon and look forward to working together again. We are thrilled to have his depth and breadth of experience and exceptional record of success to help us navigate our explosive growth," says Marc Brenner, Sustain's Chief Executive Officer.

### **About Jon Ransom**

Mr. Ransom was the founder and CEO of Environmental Management Specialists, Inc (EMS), leading the company for eighteen (18) years, prior to the sale to HEPACO. Mr. Ransom was subsequently a member of the HEPACO Board of Directors, prior to its sale to Clean Harbors and he currently maintains advisory roles with Haley & Aldrich, Champ Titles and Authenica.
